

1. **SOUND RE-INFORCEMENT:** In most cases, **4 His Love**, will use our own sound system and will need to set up 1½ hours before the start of service/concert. Please have a person available upon our arrival. However, we do recognize that some auditoriums have specific sound requirements or challenges, and we will be happy to work with your sound people to make sure the audience gets the best possible sound.

2. **CD/PRODUCT TABLE:** Please provide one 6'-8' table in a high-traffic area (preferably the foyer or entry/exit hall for CD/Product display. (We promise, we will not "huckster" our merchandise, just tastefully let people know what is available to them.)

3. **MEALS/LODGING:** A light meal after the service would be appreciated; **4 His Love** prefers not to eat before ministering. Many churches hold a potluck or church dinner as a way of making the experience more relaxed and hospitable. For some situations when overnight stays are required, the group appreciates whatever assistance the church is willing and able to provide toward the additional expense, but it is not required unless specified prior to booking.

4. **LOVE OFFERING/COMPENSATION:** **4 His Love** offers two financial options, depending on the type of service/event and the church's/sponsor's preferences.

- 1) Love offering plus expense commitment: We ask that the church commit to providing a set amount, generally between \$100 and \$200 depending on travel distance, specifically to assist with travel expenses. Especially on Sunday mornings, we prefer that the church receive your own tithes and offerings separately from the love offering to avoid confusion.
- 2) Some churches/sponsors prefer to guarantee a specific figure rather than operate on a love-offering basis. **4 His Love** is more than willing to work with you in that way; the specific amount will vary depending on distance, type of event, etc.

We do not wish to have financial issues EVER be the determining factor in whether or not **4 His Love** comes to your church or event. Feel free to contact us with any offer or proposition you may have, and we will be happy to work with you to come to a solution that benefits the Kingdom and honors God.

His servants, and yours,

4 His Love
